

NHI Bahamas Primary Care Providers

- During enrolment, you will be asked to select your Preferred NHI Bahamas registered Primary Care Providers from the list below.
- Successful selection of a Primary Care Provider will ensure you are enrolled with the provider for a 12-month period from the commencement of NHI services.
- Certain Provider Specialties are limited to certain age groups, specifically:
 - Pediatricians will treat beneficiaries between 0 – 18 years of age
 - Internists will treat beneficiaries above 18+ years of age
 - Family Medicine Specialists and General Practices serve all age groups unless specified otherwise.

What to consider when selecting a provider selection:

- **Convenience** – select a provider near your home or workplace for easy access
- **Specialty** – select a provider which is appropriately trained to serve you or your children

Maternity Care Providers

- NHI Benefits cover primary care level maternity care services.
- Upon discovery of pregnancy by a Primary Care Provider, a beneficiary will have the choice to receive her maternity care from an appropriately trained Primary Care Provider in delivering these services or elect to receive her care from a specialist in Obstetrics and Gynecology
- In the cases of high-risk pregnancies (as determined by the Primary Care Provider) these will be referred to a specialist in Obstetrics and Gynecology
- Delivery services are not included in the benefits package during the primary care phase of NHI
